Host a sunset cruise

FULL HOST OR TWO CO-HOSTS · QUOTED SEPARATELY

- Bring the whole group together on the water, for an expected 75–100 guests.
- “Sunset Cruise hosted by [Sponsor]” naming, or shared co-host recognition.
- Recognition on the cruise listing, event signage and conference website.
- Host acknowledgment before departure.

The quote covers capacity, transfers, taxes, fees, refreshments and gratuities as applicable. Timing, weather plans and final cost are confirmed before the cruise is advertised. Cash-tier benefits require a separate cash sponsorship.

Contribute raffle gifts

ACCEPTED VALUE OF $250 OR MORE

- Gift cards, travel or experience certificates, quality equipment, or service credits customers can redeem without an additional purchase.
- Recognition on the sponsor page, at the prize display and during the drawing.
- Cash sponsors can add a gift and receive both forms of recognition.

Share the gift’s value, eligibility, expiration and redemption terms. Acceptance and delivery are confirmed before shipping. Trials, required-purchase discounts and ordinary promotional merchandise don’t count toward the minimum.

Make the time count

Help existing customers, demonstrate practical improvements and meet operators across the network who may benefit from your services.

Sponsors may share an opt-in QR code for follow-up. Attendee contact lists and guaranteed sales leads are not included. Attendance is an estimate.

LET’S MAKE IT HAPPEN.

1. Email your preferred tier or contribution, company name, contact details and whether a representative will attend.
2. For a gift, include its description and value. For the cruise, tell us host or co-host.
3. TourScale confirms availability, benefits and payment or delivery arrangements in writing.
